Membership Information

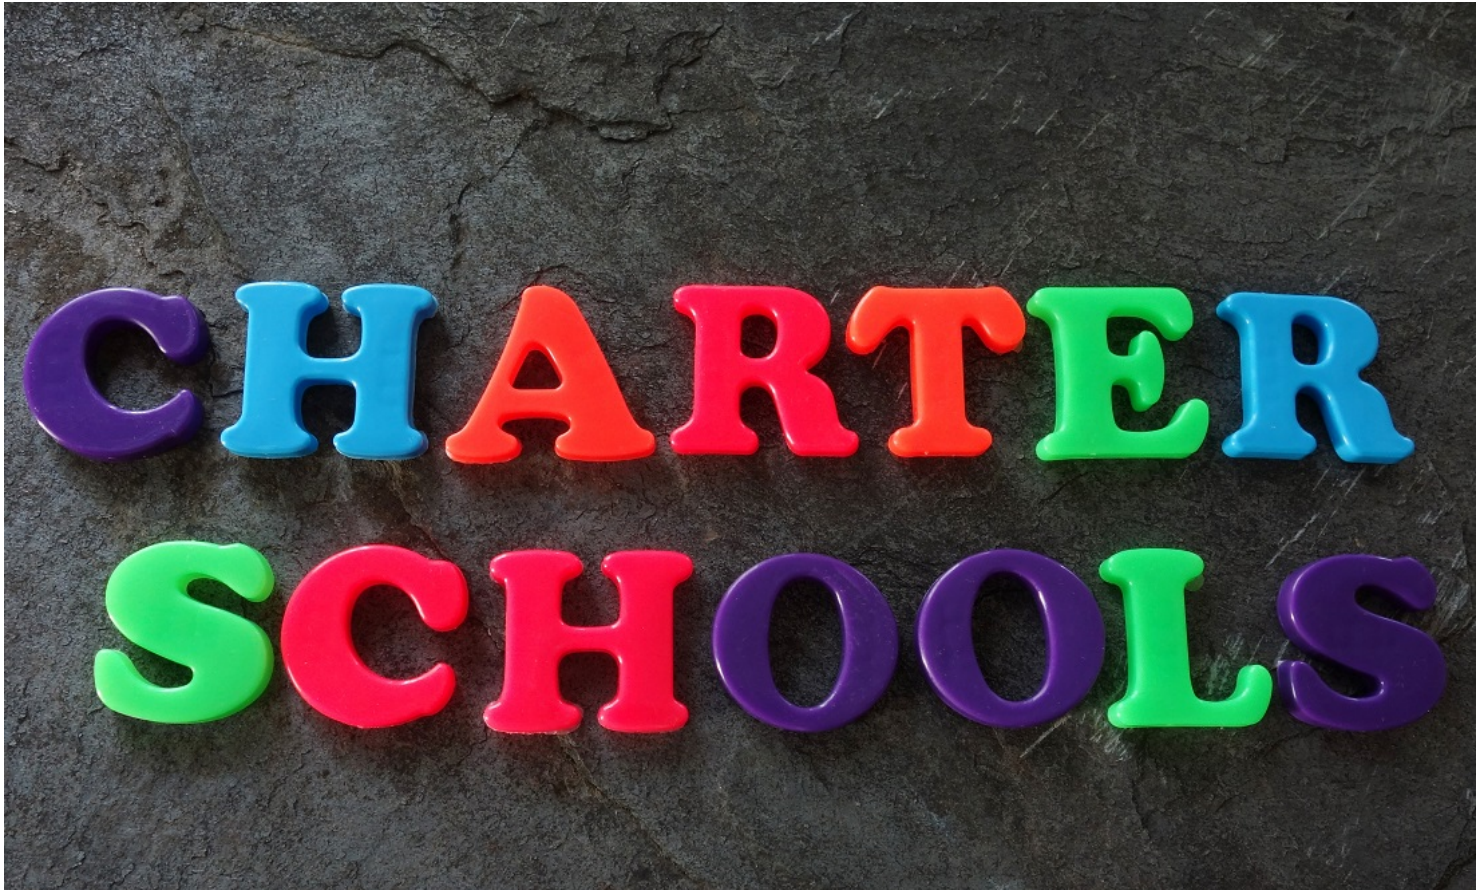

Welcome to the Oregon School Boards Association. Our 1,400 members are locally-elected public officials who serve on school district, education service district and community college boards. Collectively, they oversee the education of 970,000 students. Membership in OSBA gains you access to significant expertise, experience and resources related to public education and board service.

Join OSBA and connect to the only statewide association in Oregon that serves you—a local school official! Together, we can make a difference for students.
